

Annual Report 2023-24

Heartfelt greetings to the Guest of the Day, Mr. Jaswinder Singh, District Education Officer, esteemed SMC Members, parents, teaching and non-teaching staff and dear children.

It is with great pleasure that we gather here today to make the celebration of the hard work, perseverance, dedication and commitment towards education. As we approach to begin the new academic session and our 15-years of service towards providing quality education since our inception in 2009, we take this opportunity to thank the almighty Lord for his abundant blessings and guidance from our CEO Dr. Anirudh Gupta, all SMC members, parents, students and teachers.

As we share the yearly updates of our activities, we take the modesty to say that DCM Presidency School has a great tradition of excellence. The school's vision to strive for excellence and not resting on one's laurel, seek solutions, not excuses, deliver results and serves the community by providing quality education.

Academics

Achieving academic excellence is at the heart of endeavour of all educators. We are happy to share that our students of XII & X who appeared for the 2023-24 in board examination passed with flying colours.

Manya Palta topped the commerce stream with 97.2%, Priyanshi Jain clinched the top spot in the financial market management with 97.6%, Ziya Oberoi excelled in the medical stream with 95.4%, while Dilpreet Kaur topped the humanities stream with 96.6%, Lehar Arora of non-medical stream secured 95.4%. In class X, Abhinav Goel topped with 98.2%.

Academic Achievement

Four students namely Pankhil Gupta , Arsh Dhir, Lehar Arora and Sehaj Dhillon qualified JEE Mains with 96.3%, 94.59%, 92.63%, 90.27% respectively.

Spell Bee Challenge

Two students, Alaina and Gurman Kaur received Gold Medal, Achiever's Certificate and cash prize worth Rs 1000 in Humming Bird Spell Bee Olympiad.

Achievement in National Astronomy Challenge (NAC)

Satvik Bhatia , Jasvi Gupta, Jasmeh Kaur and Namita Gupta brought laurels to the school by winning Gold Medals in the prestigious National Astronomy Challenge.

NCC Star Cadet

NCC Cadet, Master Vansh Kwatra, was recognised and commended for his outstanding contribution in bringing laurels to the school through his participation in various activities taken up by 19 Punjab Battalion, in the Session 2023-2024. He showcased exceptional discipline and leadership skills during the Republic Day Parade on 26 January 2024. His participation not only reflected his personal excellence but also brought immense pride to DCM Presidency School. He was honoured by the District Education Officer, Mr Jaswinder Singh in the graceful presence of his proud parents Mrs. Dimple and Mr. Varinder Kumar. The School Management congratulated him for his unwavering dedication and commendable leadership and advised him to uphold the values of discipline, integrity, and service to the community. During his journey towards recognition, he met the honourable Prime Minister, Mr. Narendra Modi on 27 January. He got an opportunity to meet Chief of Naval Staff Admiral R. Hari Kumar during the cultural events. He also met with the Chief Minister of New Delhi Mr. Arvind Kejriwal during Guard of Honor. He was also invited for the tea party by a 4-star Air Officer, AIR Chief Marshal VR. Chaudhary, PVSM, AVSM, VM, ADC, at his residence. Last but not least, he was honoured by Directorate General NCC, Lieutenant General, Gurbir Pal Singh AVSM, VSM and won a citation and cash prize at Rajpath, New Delhi for his commendable performance.

His mentor, ANO Ms Monika was also felicitated during the ceremony for her commendable work and guidance.

Enhancement of skills in Teachers and Students

As a part of enrichment programme, various trainings and seminars are periodically organized throughout the year for the overall development and enhancement of skills in teacher and students.

Counselling Sessions

Students appearing at the Board Exams are guided and motivated regarding their career choices. A Career Fair was organised for its students wherein students were explained about the new age career option available that are leap forwarded.

An enlightening talk during an interactive session on the practical applications of mathematics in today's world was held for the students of classes X to XII by Mr. Yann Thanwerdas, lecturer in Mathematics at Centrale Supélec, France.

From decoding the mysteries of data analysis to unlocking the secrets of technological innovations, mathematics is the backbone of modern society, conveyed the special guest during his visit to DCM Presidency.

During the session, students delved into real-world examples showcasing how mathematics powers advancements in diverse fields such as technology, finance, science, and more.

It was inspiring to witness the students' enthusiasm as they were acquainted with the countless possibilities which the subject of mathematics offers in shaping our world.

The good work of a school is the result of hard work of students, parents, teachers and timely support from several quarters on behalf of the school.

We hereby express our sincere thanks and heartfelt gratitude to Dr Anirudh Gupta, under whose guidance the school surges ahead. We are also grateful to all SMC members for the continued assistance & guidance at all times.

I take this opportunity to thank today's chief guest, Mr Jaswinder Singh for the generous presence in the program.

Special thanks are due to all the parents as well. Their constructive criticism and valuable feedback has always been helpful in so many different ways.

Last but not the least, the staff & students of the school deserve a special mention for their consistent diligence, sincerity & devotion with which they continue to persevere zealously in achieving excellence in all aspect of learning at school.

On behalf of teachers and other staff, we now take this opportunity to commit ourselves to do our best at all times to honourably serve the institution and every stakeholder.

Thank you!

Jai Hind
